1.4.2 Structured Feedback received from the Teachers (Academic Year 2022-23)

a) The Course objectives & outcomes were clearly defined identified
6 responses

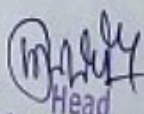

The analysis reveals a highly positive evaluation for the course objectives and outcomes, with 16.7% rated as excellent and an overwhelming 83.3% as outstanding out of a total of 6. This highlights an exceptional clarity and precision in defining objectives and desired learning outcomes. The predominantly outstanding rating underscores the course's effectiveness in providing a well-defined and identified educational framework for participants.

b) Course Material were of appropriate length
6 responses

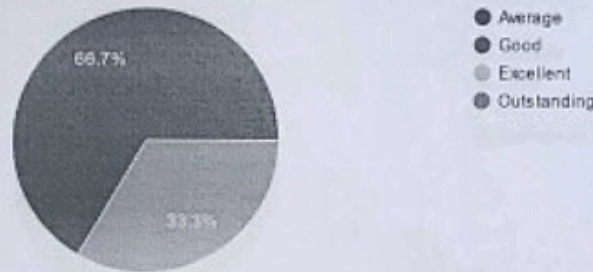

The course material has received an outstanding rating, with 100% excellence out of a total of 6. This indicates an exceptional balance in the length of the materials, catering to an optimal learning experience for participants. The unanimous excellent rating underscores the high quality and appropriateness of the course material length.

Head
Department of Geography,
Babasaheb Ambedkar Marathwada University
Aurangabad

c) Course material were relevant

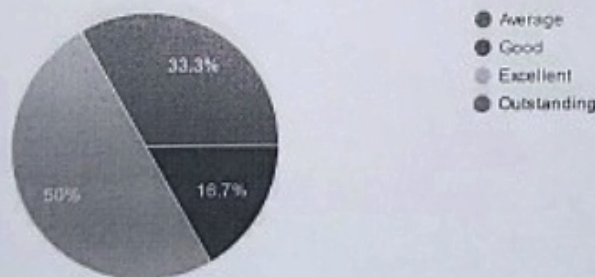

6 responses

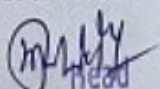

The analysis indicates a strong performance for the course material's relevance, with 33.3% rated as excellent and an impressive 66.7% as outstanding out of a total of 6. This underscores a significant emphasis on providing highly pertinent and up-to-date content, enhancing the overall learning experience. The majority outstanding rating reflects the course's success in delivering materials that align closely with the participants' educational needs and real-world applications.

d) Course material were of high quality and Up-to-date

6 responses

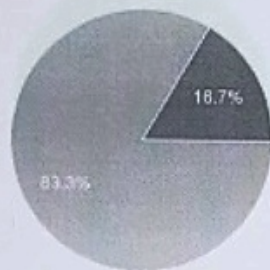

The analysis of course material quality and currency shows a commendable performance, with 50% rated as excellent, 33.3% as outstanding, and 16.7% as good out of a total of 6. This reflects a generally high standard of both quality and up-to-dateness, with efforts underway to further elevate these aspects. Ongoing actions involve continuous review processes and updates to maintain and enhance the overall excellence of the course material.

Head
Department of Geography,
Dr. Babasaheb Ambedkar Marathwada University
Aurangabad

e) Material were well organized. Assignment of reading material for each class was of appropriate length

6 responses

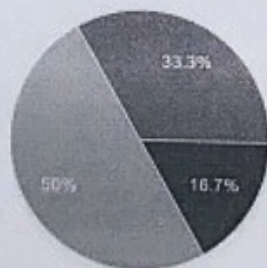

- Average
- Good
- Excellent
- Outstanding

The analysis of material organization and assignment length reveals a strong performance, with 83.3% rated as excellent and 16.7% as outstanding out of a total of 6. This highlights an exceptional level of organization in the course materials, ensuring a structured and efficient learning experience. The outstanding rating emphasizes the optimal assignment lengths, contributing to a well-balanced and effective curriculum design.

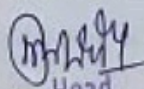

f) The course provides useful inputs

6 responses

- Average
- Good
- Excellent
- Outstanding

The course analysis indicates a positive impact with 50% rated as excellent, 33.3% as outstanding, and 16.7% as good out of a total of 6. This signifies a generally effective delivery of valuable and practical insights. The combination of excellent and outstanding ratings underscores the course's success in providing useful inputs, with ongoing efforts to enhance the overall learning experience.

g) The course provides focus on skill Development/ Employability / Entrepreneurship
6 responses

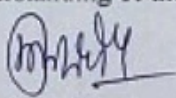

The course is commendably balanced, with 50% rated as excellent and an additional 50% as outstanding out of a total of 6, showcasing a strong focus on skill development, employability, and entrepreneurship. This underscores the course's effectiveness in addressing diverse aspects crucial for participants' professional growth. The equal distribution of excellent and outstanding ratings highlights a well-rounded approach to fostering valuable skills and entrepreneurial mindset among the learners.

h) The course updates understanding in this field *
6 responses

The course analysis indicates a solid performance in updating understanding in the field, with 50% rated as excellent and another 50% as outstanding out of a total of 6. This demonstrates a balanced and effective approach to keeping participants abreast of the latest developments in the field. The combination of excellent and outstanding ratings underscores the course's commitment to providing a current and comprehensive understanding of the subject matter.
