

Report of the meeting

Date: 01/11/2021

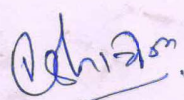

Student feedback has been discussed in the departmental meeting held on 01/11/2021. The following are the main points of discussion:

1. Student feedback is found to be comprehensive and pointing the weakness and strengths of the department.
2. As compare to last year feedback, students are found to be more satisfied with all subjects, campus, and department.
3. Almost all the subjects received above average marking by the students.
4. Those subjects at few points received average marking will be discussed briefly and expected to be improved in the coming academic year (2021-2022).
5. Every year department has been trying to create new facilities for students through infrastructure development, with the help of annual budget allocated to department. This year department will focus on to develop teaching facilities in the classroom and purchase some instruments for practical of students.
