NAAC Accredited 'A'

Ref.No.Env.Sci./2022-23/

Declaration

This is to declare that, the student's feedback about department's performance was taken in the department. The opinion about teaching, research, other activities and available infrastructure etc requested. The student has given some suggestion such as drinking water facility, departmental library, Organization of extracurricular activities and Organization of lectures on opportunities in the Environmental Science. By considering these demands of students following actions were taken.

1. The issue of drinking water in newly received building was solved by communicating this issue with authority.
2. The lectures of expert were proposed from invited speakers for the benefit of students.
3. The departmental activities were promoted for celebrating different days in the department.

Such kinds of activities were conducted in the department.
