

Workshop Report:
"Preparing Ideal Research Proposal"

Organized by
Department of Commerce,
Dr. Babasaheb Ambedkar Marathwada University, Chhatrapati
Sambhajinagar
In Collaboration with
Deogiri College, Aurangabad
Vidhyadhan College, Aurangabad
Asaramji Bhandwadar College, Deogaon Rangari

➤ **Date: Tuesday, 7th November 2023**

❖ **Opening Remarks by Prof. Veena R. Humbe**

❖ :

- Prof. Veena R. Humbe, the Head of the Department of Commerce, initiated the workshop with a welcome address, setting the stage for a day focused on crafting ideal research proposals.

❖ **Session I: Professor Syed Azharuddin :**

• **Research Concepts:**

- Professor Azharuddin delved into the foundational concepts of research, emphasizing the importance of clarity in defining research objectives and questions.

• **Objectives:**

- Clear insights were provided on formulating concise and focused research objectives that guide the overall study.

- **Hypothesis:**

- The session highlighted the significance of hypotheses in structuring research and guiding the investigation process.

- **Topic Selection:**

- Intricacies of selecting a research topic were explored, emphasizing relevance, feasibility, and contribution to existing knowledge.

- **Review of Literature:**

- Prof. Azharuddin emphasized the critical role of a thorough literature review in informing and shaping one's research.

❖ **Session II: Professor Syed Azharuddin**

- **Sample Selection:**

- The importance of appropriate sample selection in research was discussed, addressing considerations like representativeness.

- **Qualitative Data Collection:**

- Qualitative data collection methods were explored, providing participants with insights into in-depth research approaches.

- **Quantitative Data Collection:**

- Prof. Azharuddin covered various quantitative data collection methods, highlighting their relevance in different research scenarios.

❖ **Session III: Dr. Omprakash Jadhav**

- **Hypothesis Testing:**

- Dr. Jadhav provided a detailed overview of hypothesis testing, elucidating the process and its significance in research.

- **Data Analysis & Interpretation:**

- Advanced topics like data analysis and interpretation were covered, offering practical insights into handling research data.

- ❖ **Conveners:**

- **Professor Rajesh B. Lahane (Deogiri College):**

As the convener, Prof. Lahane played a key role in coordinating efforts and ensuring the workshop's success.

- **Professor Ganesh N. Kathar (Asaramji Bhandwaldar College):**

Prof. Kathar contributed to the collaborative effort, bringing valuable perspectives to the workshop.

- **Dr. Bhausaheb Dhawale (Vidyadhan College):**

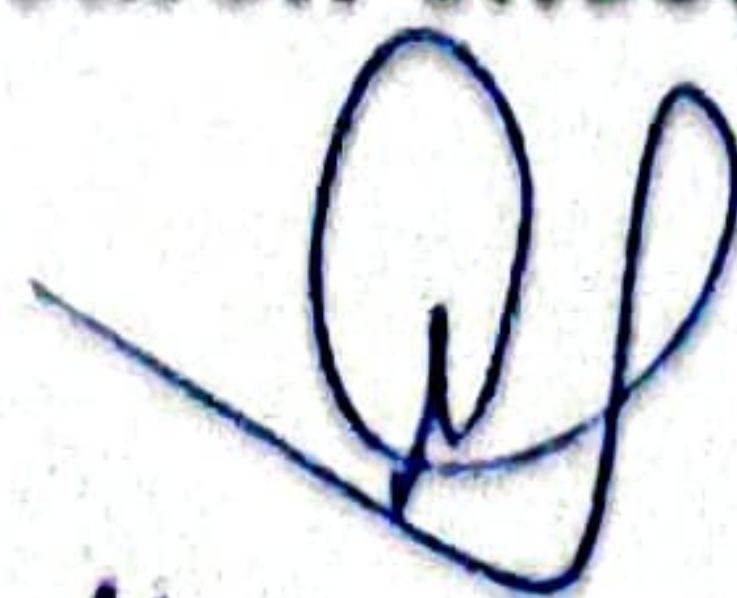

Dr. Dhawale, as a convener, facilitated the active involvement of Vidyadhan College in the workshop.

- ❖ **Objective:**

- The workshop aimed to equip participants with essential skills for crafting an ideal research proposal, covering various aspects from conceptualization to data analysis and interpretation.

- ❖ **Conclusion:**

The collaborative effort between Dr. B.A.M. University's Department of Commerce and the partner colleges resulted in a successful workshop. Participants gained valuable knowledge and skills essential for crafting effective research proposals. The diverse topics covered by experienced speakers enriched the learning experience, contributing to the research readiness of the attendees. The active participation of students from Dr. B.A.M. University underscored the workshop's impact on fostering research excellence in the academic community.
