

## “Self-Reliant India: Defense Capabilities”

Dr. Kashinath Deodhar (MC Member Dr BAMU)

Date: 9 February 23,

Dr. Babasaheb Ambedkar Marathwada University Aurangabad, Department of Commerce and “Rural Problems Research Centre”, (ग्रामीण समस्या संशोधन केंद्र) Dr Babasaheb Ambedkar Marathwada University Aurangabad had been organized the Special Lecture on "Self-Reliant India and Defense Capabilities" by Dr. Kashinath Deodhar (Member of Management Council, Ex-Director of ARDE-Pune) Under the Program, "Jay Jawan Jay Kisan, Professional Literacy Campaign" "जय जवान जय किसान व्यवसायिक साक्षरता अभियान " This program was organized by the Department on this special subject, which has aim to understand the Indian Power and Recent Development in Defence and Military. A lecture on the above topic (Subject) was organized for commerce and management students. Actually this is very new and technically difficult subject to understand for Commerce students. But the Dr Kashinath Devdhar had explained this Subject with using very simple language. However the program was directed and introduced by Dr. Vilas Epper, Director, Research Centre for Rural Problems, while the Head of Department Dr. Syed Azharuddin presided.

Hon. Dr. Kashinath Deodhar has been discussed this Subject in detail. With regards from the last few years the defense and military department achieved tremendous progress. Today in the defense of the country which is now capable to face each and every difficulties war and emergency situations including the fights and war with enemy country like Pakistan and other. However he told the Pakistan is not more powerful and challenging country in front of our Nation but China is more dangerous and we have all the big and advanced weapons, Missiles, Bombs, and Fighters which can face any situation. We have the sufficient manpower (military force) and skills, courage to run the war and defense from any critical situation.

Today's strength of the defense department of the country has been elaborated to maintain the protection, Integrity, integrity and sovereignty of the country. He described the progress in the defense department in the latest weaponry technology. As above mentioned that, Missiles, Atomic Bombs, various War Ships, Fighter Planes, different types of weapons and means of carrying them (logistics). Missile Man Bharat Ratna Dr. APJ Abdul Kalam's gave valuable contribution revealed his association and vision. He mentioned some of the various types of weapons India has, INS VIKRANT, PINAKA MBRS, ARTILLERY WEAPON, A-SAT MISSILE, MISSION SHAKTI, BRAHMOS MISSILE TECHNOLOGY, ASTRA-PRAHAR, PRALAY, SHOURYA, AGNI MISSILE SERIES, NAG, TRISUL, AKASH, Various types of such advanced weapons

are mentioned in very simple language and by conveyed the message that our country's self-reliant "आत्मनिर्भर भारत आणि संरक्षण सिद्धता" in defence, and gave the proverb of "Jai Jawan, Jai Kisan, Jai Vigyan", He won the hearts of all with its valuable message.

In the presidential address, Professor Dr. Azharuddin appreciated the work of Dr. Deodhar sir, and particularly welcomed that Dr. Deodhar sir worked with Bharat Ratna Dr. APJ Abdul Kalam, which they seen the dream of "India's vision 20:20" and Professor Azaruddin sir has proposed vote of thanks towards everyone.

Professor Walmik Sarwade, Dean of Commerce and Management, Principal Sarjerao Thombare, Dr. Veena Humbe, Dr. Jayashree Suryavanshi were present for this program, 70 to 80 students were participated for this program. And lastly everyone has saluted in front of the Special Guest and Scientist Dr Kashinath Devdhar. Last Dr Vilas S Epper invite him that he has to come in the forthcoming occasion of the department
