Kindly inform your students that, all the information related to onboarding will be mailed on student's registered email id. Also, our team will soon connect with them on their registered mobile number. They will be getting their login credentials of the Chegg Portal and then they can start working as per their convenience.

Kindly note, please coordinate internally as this list includes names of only those students who have used the referral code during the test. Students who have not used referral codes but have cleared everything must have also received selection emails. Request you to consider those students too. I won't be able to track those students who have not used referral codes, but we will consider them selected and emails will be sending emails directly to them. Kindly coordinate and send me the list of such students too so that I can use it for record.

Wishing all the students, All the Best for their new journey with Chegg!! See you Onboard!

Get...Set...Chegg!!
