Subject: Regarding recruitment of "Marketing executive Contract"

Dear Sir/Madam,

We (KSS – www.khatrisolutions.com) is a GST registered IT startup company since 2015.

We are launching our new project "IT-Mall" – www.theitmall.in across India. It's a huge portal of various digital Business services. To give you an idea, its like combining good features of www.justdial.com, www.indiamart.com, www.tradeindia.com, www.amazon.in, www.magicbricks.com, www.naukri.com etc for B2C (Business to Customer), B2B (Business to Business), Real Estate, at a very affordable rate, in a integrated way. The idea was to create a Mall like structure, where multiple services offered at a single location.

Since this Corona affected time, secondly it's impossible to think of setting up office in every district of every state across country, we have come up with completely online option for doing marketing job. This also saves cost of office, accessories, and needed other support staff. The candidate can register online, if approved, he/she can register as "Marketing Executive Contract" for 1,3,6,12 months, and get started immediately. The remuneration/ commission paid is very handsome as compared with anyone across India. For example, GooglePay / Gpay pays 85 rupees per registration. We are offering 250 rupees per registration / sale. Generally, Gpay marketing engineers do 8-10 registrations per day. Since our product is new, even if we consider just 6 registrations per day, with 25 working days, here is expected earnings.

6 X 25 X 250 = 37,500/- rupees. (TDS – 3.75% applicable)

There are some inherent advantages, no work timings, no target pressure, No BOSS !!, candidate may also seek other job and do this in part time, no restrictions at all.

Below is our recruitment need across Maharashtra.
