INDEPENDENT AUDITOR'S REPORT

To,
The Vice Chancellor,
Dr. Babasaheb Ambedkar Marathwada University,
Aurangabad.

Report on the Financial Statements

We have audited the accompanying financial statements of Dr. Babasaheb Ambedkar Marathwada University which comprise the Balance Sheet as at March 31, 2023, the Statement of Income and Expenditure and the Statement of Receipt and Payment for the year the ended, and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a True and fair view of the financial position, financial performance of the University in accordance with the Accounting Standard, Rules and Regulation as per the Maharashtra Universities Act, 2016. This responsibility includes the design, implementation and Maintenance of internal control relevant to the preparation and fair presentation of the financial statements that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the preparation and fair presentation of the financial Statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis of Qualified Opinion:

- 1. In publication department old forms and prospectus were observed the same needs to be disposed off as per the procedure.
- 2. It is suggested that integrated software for dead stock and consumables management should be developed at the University level wherein all the departments of the University can view, access, and operate on the areas and items relevant to the concerned department. The software should primarily be capable of accounting transactions of the relevant department. In addition to that it should also capture the information for bank reconciliation, dead stock and inventory.
- 3. Dead stock items which have been identified as unusable or as scrap should be taken up for writing off from the books of accounts.
- 4. It is suggested that an information technology security and system audit of all departments and of the University as a whole should be conducted at regular intervals of time.
- 5. As per the Maharashtra Universities Account Code there should be a centralized purchase store unit and physical verification unit. It is suggested that said units be formed.
- 6. Bank reconciliation has been done for the financial year 2022-23. Furthermore, there are certain differences in the closing balances of some bank accounts as per books and as per bank statements and need to be reconciled.
- 7. As per Section 134 of The Maharashtra Public Universities Act 2016, the University was to prepare and maintain accounts under accrual basis of accounting and not cash basis. Accordingly, during the year under audit, the University appointed M/s. VNV and Company, Chartered Accountants and has availed their expertise for conversion to mercantile system of accounting and has got it's accounts restated as on 1st April 2022 for arriving at opening balances as per accrual system. As explained to us, the opening balances have been restated based on information as collaborated from various departments of the University by them. The University has relied on the report/statement of opening balances as prepared by them. As represented to us by the University, we have also relied on the opening figures as restated by VNV and Company. During restatement, certain balances have been written off by them. It is suggested that the report/statement on restated accounts and the write offs made for the purpose of arriving at the opening balances should

be approved by the concerned authority of the University. The Chartered Accountant has also prepared the financial statements for the year ended on 31st March 2023, by combining the existing system of accounting with the requirement of mercantile system of accounting and based on information collaborated by them.

- 8. It is suggested that the University acquires and implements an integrated software wherein all the data is captured and which provides all the accounting and non-accounting reports easily for better control under accrual system of accounting. The current accounting system is not up to the mark for accrual system of accounting.
- 9. It was suggested in the past that merged Financial Statements of Depreciation Fund Account, Development and Programme Account, Development Fund Account, Employees Group Gratuity Fund Account, Endowment Fund Account and Provident Fund Account have been merged with into the Financial Statements of the University and not shown separately under transfer of funds from this year. During the process of the same, wherever necessary write offs were required, they have been made by way of write adjustment entries. It is suggested these write offs should be verified and approved by the concerned authority of the University.
- 10. It is observed that still there are certain old balances which are being carried forward since many years with no change in them. It is suggested that the details of these balance be tracked and if they are not traceable, they can be considered for writing off from the books of accounts. Further, there are differences in the balances of old fixed deposits which had not been reconciled upto the date of signing of this report. Therefore, effect of the same amount on the financial statements cannot be quantified and commented upon.
- 11. As per Govt. of Maharashtra (Higher & Technical Education) Circular dated 17.12.2016 regarding cashless Maharashtra & U.G.C. Letter regarding Vittiya Saksharata Abhiyan (VISAKA) that Dr. BAMU Campus Should be cashless. It is suggested that as per the circular all fees should be accepted by digital mode instead of cash mode.
- 12. It is suggested that the staff is given training at regular intervals to update them about the latest developments in the accounting standards, policies and methodologies as notified by the Accounting Standard Board and State Government.

Qualified Opinion:

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

(a) In the case of the Balance Sheet, of the state of affairs of the University as at March 31, 2023.

(42)

- (b) In the case of the Income and Expenditure, of the income for the year ended on that date.
- (c) In the case of the Receipt and Payment, of the Receipt and Payment for the year ended on that date.
