10. What was most useful?

- I think the most useful thing to me is how you look to the student or people. & How you share your knowledge to other. Increase to your wisdom & also student.
- You should communicate with the student while you teaching in the class this is useful to me.
- Q & A should happen in class (useful).

11. What was least useful?

14. Any other comments?

- It was very touchy session. to me coz i learn
- I feel it wonderful to attend this first session.
- i have not words to express it but wisely or i believe that in this session whatever they used method or keyword is awesum to me. Give you thank to you & many blessed lord give you!

10. What was most useful?

The problems discussed as case-study are more relevant & the answers to them are lessons for the faculty members. ~~these answers~~ ^{The} are difficult to find out in any textbooks which are explained so nicely.
