BHOLANE SHILWANT & CO. CHARTERED ACCOUNTANTS

An audit involves performing procedures to obtain audit evidence about the amounts qud disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the preparation and fair presentation of the financial Statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis of Qualified Opinion:

- 1. It is suggested that University should conduct Information Technology security & system audit of all department and University level at regular Interval of Time.
- As per the Maharashtra Universities Account Code there should be a centralized, Purchase Store Unit & also Physical Verification Unit, it is suggested to form the said Units
- 3. As per Gov. of Maharashtra (Higher & Technical Education) Circular dated 17.12.2016 regarding cashless Maharashtra & U.G.C. Letter regarding Vittiya Saksharata Abhiyan (VISAKA) THAT Dr. BAMU Campus Should be cashless. It is suggested that as per govt. circular all fees in campus should be accepted by digital mode instead of cash mode.
- 4. It is suggested that software should be developed which should be integrated with all the department of the University and field relevant to the concerned department should be made available for viewing to the concerned department. Software needs to be developed for Bank Reconciliation, Dead Stock Entry, Inventory management and specifically for accounting purpose for keeping proper check on the transactions.
- 5. In Publication department old forms and prospectus were observed the same needs to be disposed off as per the procedure.
