Avoid common mistakes on your manuscript.

Correction to: Journal of Materials Science: Materials in Electronics <https://doi.org/10.1007/s10854-018-8534-1>

The original version of the article unfortunately contained an error in Fig. 8b. The value for Current density (J_{sc}) has a typo; it should be 0.5 mA/cm², instead it was published as Current density (J_{sc}) = 5.0 mA/cm².
