Organized by	National Service Scheme
Student Participated	50

Brief Report

The National Service Scheme (NSS) unit at Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, organized a special 07-day session from March 24th to 30th, 2022, aimed to provide new NSS volunteers with a comprehensive understanding of organizational practices and highlight the necessity of committed youth in serving society. The session was marked by a motivational speech by the Hon'ble Pro Vice Chancellor and Director of NSS at the university. The primary objectives of the 07-day session were to orient new NSS volunteers about the mission, objectives, and activities of NSS, foster a sense of social responsibility and commitment among the youth, equip participants with practical knowledge and skills for community service, and encourage active participation in social and developmental initiatives.

=====
participation in social service and nation-building. Over the course of seven days, the session included various workshops and interactive sessions covering a range of topics. These included an introduction to NSS, understanding community needs, health and hygiene awareness, environmental conservation, social development initiatives, leadership and teamwork, project planning and execution, cultural programs and community interaction, and a closing ceremony on March 30th, where participants shared their experiences and reflections. Key outcomes and impact of the session included enhanced awareness, skill development, community engagement, and commitment to service. Participants gained a deep understanding of social issues and the role of youth in addressing them, while the session fostered a stronger connection between NSS volunteers and local communities, encouraging collaborative efforts for social betterment. The motivational speeches and interactive sessions inspired participants to commit to long-term community service and social responsibility. In conclusion, the Special 07-Day Session organized by NSS at Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, was a success, providing new entrants with a comprehensive understanding of NSS and its significance in societal development. The university remains committed to fostering a spirit of volunteerism and social responsibility among its students, continuing to support NSS initiatives that contribute to the holistic development of individuals and communities alike.
