**Glimpses of Outreach Programme : Udyamita Yatra (An Employment Initiative) event of Dr. Babasaheb Ambedkar Marathwada University, Sub-Campus**

The event aimed to empower students with entrepreneurial skills and employment opportunities, emphasizing the importance of skill development and education in the job selection process. The event was inaugurated by dignitaries, including the university's Registrar, Youth Aid Foundation coordinator Mahesh Throat, and Rijvan Kapur of MSSDEE. The event saw active participation from various stakeholders, including political leaders, faculty members, and students from across the district. Guidance sessions were conducted by dignitaries, emphasizing the significance of entrepreneurship and employment initiatives in driving economic growth and individual prosperity. Skill development workshops provided hands-on learning experiences and insights into various industry sectors, empowering participants to explore diverse career paths. Networking opportunities were also provided for students to interact with industry professionals, entrepreneurs, and government agency representatives, facilitating knowledge exchange, mentorship, and potential collaborations. Students expressed their benefits from the event and recommended that such events should be regularly arranged. In conclusion, the Udyamita Yatra served as a commendable initiative to promote entrepreneurship and employment among students, fostering a culture of innovation, creativity, and economic self-reliance. The collaboration between educational institutions, government bodies, and non-profit organizations underscores a collective effort towards empowering youth and driving socio-economic development. Sustainable investments in skill development, education, and entrepreneurship initiatives will be essential for unlocking the full potential of youth and building a vibrant and inclusive economy. The event could create great sensitization among youth of the region and earned heartfelt appreciation from parent fraternity.
