---

The primary objective of the event was to promote values of unity and integrity among the youth and the community, foster a sense of belonging and mutual respect among individuals from diverse backgrounds, and celebrate the rich cultural heritage and traditions that contribute to the unity of the nation and humanity as a whole. The event also featured an inaugural ceremony, where dignitaries delivered speeches highlighting the importance of traditional integration, unity, and integrity in society's development and progress. Cultural performances showcased the diversity and richness of traditional heritage from various regions of India and around the world, with dance, music, and theatrical presentations by students and members of the local community. Participants took a solemn pledge to uphold the values of unity, integrity, and mutual respect towards traditions and cultures. A panel discussion on the theme of "Youth Role in Promoting Traditional Integration" was organized, featuring speakers from academia, community leaders, and youth representatives sharing their perspectives on preserving and promoting traditional values in a rapidly changing world. Interactive sessions were conducted to facilitate dialogue and exchange of ideas among participants. In conclusion, the International Youth Pledge for Traditional Integration at Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, was a significant step towards promoting unity and integrity among youth and the community.

Principal,  
Dr. Babasaheb Ambedkar
