**Brief Report**

On March 14, 2023, the Training and Placement Cell and the Centre for International Relations at Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, organized a career counselling workshop to highlight international and overseas opportunities for students and faculty members. The event was a significant initiative to inform and guide participants about various international prospects. The objectives of the workshop were to promote international opportunities, provide expert guidance on navigating the complexities of overseas education and career options, facilitate interactive learning, and encourage global perspectives. The workshop was meticulously planned to ensure that it provided valuable information and opportunities for interactive engagement. The agenda setting included a detailed agenda focusing on international education, career opportunities, and practical advice for securing overseas placements. Invitations were sent out to students, faculty members, and stakeholders through university channels and social media to ensure maximum participation. Logistics and coordination were made for the venue, including seating, audiovisual equipment, and materials for participants. A registration system was set up to streamline the process and ensure a smooth entry for all attendees.

**Glimpses of Career Counselling Workshop on Overseas/ International Opportunities**

The event comprised several sessions designed to provide comprehensive information and facilitate interactive learning. The event schedule included an inaugural ceremony followed by a presidential address by Prof. Dr. A. S. Dhabe. The Director of International Relations presented on various international opportunities, including scholarships, fellowships, and internships abroad, covering key regions such as North America, Europe, and Asia-Pacific. The Training and Placement Officer guided participants through the application processes for international programs and jobs, including tips on preparing a compelling resume, writing effective cover letters, and acing interviews. The networking session facilitated connections among participants, speakers, and university officials, fostering a collaborative environment for future engagements. Feedback from participants was overwhelmingly positive, highlighting the workshop's success in providing valuable information and fostering a global outlook. Participants appreciated the detailed information on international opportunities and the practical advice provided during the interactive

=====

sessions. Many expressed a newfound interest in exploring international education and career prospects. Faculty members valued the opportunity to learn about the latest trends in international education and career opportunities, which they could share with their students and incorporate into their teaching and advising. Speakers praised the enthusiasm of the participants, expressing interest in future programs as well. The workshop significantly raised awareness about international opportunities among students and faculty, inspiring many to consider global educational and career paths. Participants gained practical skills and knowledge that would help them in their pursuit of international opportunities, contributing to their overall professional development. The event helped build a network of aspiring global professionals, mentors, and experts, fostering a supportive community for future collaborations. Participants gained a comprehensive understanding of international opportunities and the steps required to pursue them. Participants also developed practical skills in application processes and networking, essential for securing international placements. Positive feedback from both participants and speakers emphasized the workshop's success in achieving its goals. Future plans and recommendations include organizing regular workshops and seminars on international opportunities to provide ongoing support and training for students and faculty members. Expanding the reach of international programs to more affiliated colleges and schools and establishing mentorship programs connecting aspiring international professionals with experienced mentors and experts are also planned.
