AVISHKAR - 2022

Introduction:

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad-431004, Maharashtra, INDIA, organized AVISHKAR - 2022 on 14-12-2022. This annual event, initiated by the Chancellor's office, aims to provide a platform for youth from various universities to cultivate a research-oriented mindset and acquire scientific knowledge, thereby contributing to societal development.

Event Details:

AVISHKAR - 2022 served as a convergence point for intellectual discourse and innovation, featuring a diverse range of research projects and presentations. Participants from affiliated colleges within the university's jurisdiction showcased their research findings and scientific endeavors across various disciplines.

Participation:

With over 560 participants from affiliated colleges, AVISHKAR - 2022 witnessed a robust turnout of aspiring researchers and innovators. Their active participation underscored their commitment to academic excellence and the pursuit of knowledge-driven solutions to real-world challenges.

Competition Highlights:

- Research Projects: Participants presented a wide array of research projects spanning fields such as science, technology, engineering, and mathematics (STEM), social sciences, humanities, and interdisciplinary studies.
- Innovative Solutions: The event showcased innovative solutions to pressing societal issues, with participants leveraging their academic expertise to address complex problems and advance knowledge in their respective domains.
- Panel Discussions: Engaging panel discussions and interactive sessions provided a forum for intellectual exchange and collaboration, fostering interdisciplinary dialogue and collective problem-solving.

Closing Ceremony:

The All India Women Wrestling Tournament concluded with a grand closing ceremony, where participants were honored for their remarkable performances and dedication to the sport. Trophies and medals were awarded to the winners and outstanding performers, celebrating their achievements and contributions to the tournament.

Acknowledgements:

We extend our heartfelt gratitude to all the participants, coaches, officials, volunteers, and organizers who contributed to the success of the All India Women Wrestling Tournament - 2018. Special thanks to the participating universities and their respective wrestling teams for their enthusiasm and sportsmanship, which made the tournament a memorable and rewarding experience for all involved.

MARATHWADA INNOVATION CHALLENGE 2019

Introduction:

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad-431004, Maharashtra, INDIA, organized the MARATHWADA INNOVATION CHALLENGE 2019 on 31-08-2019. The purpose of this initiative was to provide a platform for researchers from University Departments to cultivate a research-oriented mindset, acquire scientific knowledge, and contribute to societal development through innovation.

Event Details:

The MARATHWADA INNOVATION CHALLENGE 2019 showcased cutting-edge research and innovative projects developed by participants from various University Departments. The event aimed to foster collaboration, creativity, and entrepreneurship among researchers and students, driving forward the culture of innovation within the university ecosystem.

Participation:

Over 60 participants from University Departments actively participated in the MARATHWADA INNOVATION CHALLENGE 2019. Their involvement underscored their commitment to exploring novel solutions to real-world problems and leveraging their academic expertise for societal impact.

Competition Highlights:

- Innovative Projects: Participants presented a wide array of innovative projects spanning diverse domains, including science, technology, engineering, and social sciences.
- Entrepreneurial Spirit: The event celebrated entrepreneurship and creativity, with participants showcasing prototypes, inventions, and solutions with commercial potential.
- Expert Judging: Projects were evaluated by a panel of expert judges based on criteria such as innovation, feasibility, impact, and scalability, ensuring rigorous assessment and recognition of excellence.

Closing Ceremony:

The MARATHWADA INNOVATION CHALLENGE 2019 concluded with a closing ceremony, where participants were acknowledged for their ingenuity and contributions to research and innovation. Winning projects were recognized and awarded, inspiring continued pursuit of excellence in academia and entrepreneurship.

Acknowledgements:

We extend our sincere gratitude to all the participants, faculty mentors, judges, volunteers, and organizers who contributed to the success of the MARATHWADA INNOVATION CHALLENGE 2019. Special thanks to the Chancellor's office and the Departmental heads for their visionary leadership and unwavering support in fostering a culture of innovation and entrepreneurship within the university community.

AVISHKAR 2019-20

Introduction:

Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Maharashtra, organized AVISHKAR 2019-20 on January 20, 2020. This prestigious event aimed to provide a platform for youth from various universities to foster research attitudes and acquire scientific knowledge, thereby contributing to overall development. Initiated by the Chancellor's Office, AVISHKAR serves as a beacon for aspiring researchers and innovators, encouraging them to explore new horizons.

Event Details:

AVISHKAR 2019-20 was held on the university campus with meticulous planning and coordination. The event commenced with an inaugural ceremony graced by eminent personalities from academia and industry. Various sessions and exhibitions were organized throughout the day, showcasing cutting-edge research and innovations. Workshops and seminars conducted by experts provided valuable insights into contemporary scientific advancements.

Participation:

The event witnessed an overwhelming response, with over 675 participants from affiliated colleges within the university's jurisdiction. These participants, comprising students, researchers, and faculty members, brought a diverse range of projects and ideas. The enthusiasm and energy displayed by the participants were truly commendable, reflecting their dedication to research and innovation.

Competition Highlights:

AVISHKAR 2019-20 featured a series of competitions across different categories, including pure sciences, applied sciences, engineering, technology, medicine, pharmacy, agriculture, and social sciences. Participants presented their research projects to a panel of esteemed judges, who evaluated the projects based on originality, scientific rigor, and potential impact. The competition was intense, with numerous innovative and impactful projects vying for top honors.

Closing Ceremony:

The event concluded with a grand closing ceremony, where the winners of the various competitions were announced and felicitated. Dignitaries applauded the participants for their outstanding efforts and contributions to the field of research. The ceremony also included motivational speeches by renowned scientists and academicians, inspiring the young researchers to continue their pursuit of knowledge and innovation.

Acknowledgements:

The success of AVISHKAR 2019-20 would not have been possible without the relentless efforts of the organizing committee, volunteers, and participants. We extend our heartfelt gratitude to the Chancellor's Office for initiating this program and providing unwavering support. Special thanks to the sponsors, judges, and speakers for their invaluable contributions. We also appreciate the cooperation of all the affiliated colleges and their participants, whose enthusiasm and commitment made this event a grand success.
