

Action Taken Report for academic year 2017-18

Course : M.Tech. Computer Science (Semester II)

The faculty meeting was held on the 14 June 2018 for discussion on feedback analysis and action taken report for this semester. All the faculty members were present for the meeting, the feedback analysis was presented and discussed in the meeting.

It was observed that the course curriculum for all subjects is in the range is 07.46 to 10.29 for outstanding and 5.93 to 17.91 for Average. So the course curriculum Geospatial Information System has the highly appreciated by the students.

It was observed that the student feedback about teacher for this semester in the ranges for outstanding as 22.28 to 34.69 and for average as 06.83 to 20.21.

Hence the teacher teaching the subject Image Processing and Pattern Recognition is highly appreciated and the teacher teaching the subject Advance Algorithm is suggested for using the advance teaching aids.

In the view of feedback received from the students regarding infrastructural facilities of the department it was recommended for the upgradation of the laboratories for the department.
