

Action Taken Report for academic year 2017-18

Course: M.Sc. Information Technology (Semester I)

The faculty meeting was held on the 29 January 2018 for discussion on feedback analysis and action taken report for this semester. All the faculty members were present for the meeting. The feedback analysis was presented and discussed in the meeting.

It was observed that the course curriculum for all subjects is in the range is 15.25 to 34.21 for outstanding and 6.78 to 13.16 for Average. So the course curriculum Research methodology has the highly appreciated by the students.

It was observed that the student feedback about teacher for this semester is in the range for outstanding as 19.83 to 25.57 and for average as 0.46 to 10.68.

Hence the teacher teaching the subject Information Theory is highly appreciated and the teacher teaching the subject computer system architecture is suggested for using the advance teaching aids.

It was recommended to conduct the bridge course for first year students.
