Action Taken Report 2013-14 based on Students Feedback

The departmental committee meeting was held on the basis of student feedback-

1. The student oriented activities would be more challenging and teacher should act as facilitators by providing updated resources.
2. Teacher should update their content knowledge with respect to their subjects.
3. A complete formative and summative feedback about all the activities should give by teachers as well as by peer groups.
4. The submitted work of students must be evaluated within stipulated time.

Action Taken Report 2014-15 based on Students Feedback

The departmental committee meeting was held on the basis of student feedback and following decisions were taken for further action-

1. All the teachers were informed to be open minded w.r.t. students' activities and their way of presentation.
2. Innovative teaching methods like co-operative learning, brainstorming and Blended learning by using smart board and online resources.
3. Students' participation should be encouraged in all activities.
4. Teachers should include and prepare resources which would be helpful for self-learning of students.

Action Taken Report 2016-18 based on Students Feedback

The departmental committee meeting was held on the basis of student feedback and following decisions were taken for further action-

1. The previous syllabus of 1015-17 has been modified and implemented for this year.
2. Every teacher had allotted at least one paper for each semester this increased teachers' workload.
3. Teachers' were suggested to follow blended learning and use of online resources for teaching.
4. In evaluation, teachers should accepted soft copies of assignments and research work and evaluated with written remarks on it. This would be helpful to give complete evaluation of students' work within time.
