

Action taken on the feedback 2016-17

The feedback from the students were gathered, these feedback form were about the teachers. After the collection of the feedback the analysis was carried out. The analysis of each teacher was separately done and it was communicated to the teachers. The overall feedback was good about the teachers. But few areas where there were some remedial can be done. So for these area action plan was decided.

Students were having problem with punctuality of Dr.A.A.Ashtaputre so it was communicated to her and she gave the assurance that she will take care of it. She also told that it will not happen again

Students from English medium had some problem in understanding of English of Dr.M.R.Dandge. It was communicated to her. Same difficulty was with Dr.S.L.Talware. it was about the English language.
