DDU KAUSHAL / 2016 / 74

June 8, 2016

To,
The Hon'ble Vice Chancellor,
Dr. Babasaheb Ambedkar Marathwada University, Aurangabad – 431004

Subject: Establishment of Department of Electronics and commencement of M. Sc. (Electronics) course as per ordinance 1, 2 and 800 (Jan 10, 2007)

Hon'ble Sir,

In reference to the aforesaid subject, I would like to submit that UGC has sanctioned an amount of Rs. 4.0 crores to established DDU KAUSHAL Kendra in the University campus and under this Kendra we have already started B. Voc. and M. Voc. in Industrial Automation and Automobile Technology.

Since we have procured state-of-the-art infrastructure in the area of Industrial Automation for B. Voc. and M. Voc. courses, we have planned to start M. Sc. (Electronics) course from current academic year. The infrastructure procured and man power hired for B. Voc. and M. Voc. courses can be utilized for M. Sc. (Electronics) course as well.

Therefore, as on today we don't need separate investment for M. Sc. (Electronics) and it will fulfil the requirement of many students of this region.

Moreover, in order make optimum use of infrastructure and man power it would be better to share infrastructure and man power of DDU KAUSHAL Kendra for Department of Electronics to run M. Sc. (Electronics) course forever.

Therefore, we hereby propose to establish Department of Electronics and start M. Sc. (Electronics) course under this Department as per the ordinance 1, 2 and 800 which was submitted to Hon'ble Chancellor on Jan 10, 2007 for approval.

Moreover, we have also submitted a proposal for establishment of Department Electronics and commencement of M. Sc. (Electronics) along with curriculum as per CBCS pattern for kind consideration and approval of Academic Council. ~~It has~~ ~~not~~ ~~yet~~ ~~been~~ ~~approved~~ by Academic Council in its meeting held on June 2-3, 2016.

I would be highly obliged if you could kindly establish a 'Department of Electronics' and allow us to start M. Sc. (Electronics) under this Department from current academic year.

I am looking forward to have your esteemed co-operation and a favorable response.

Thanking you in anticipation.

Best Reverence,

Sincerely Yours,

Professor Mahendra D. Shirsat
