June 20, 2014

To: Dr. Ramphal Sharma
Visiting Research Professor
Department of Physics
Dr. B A M University
Aurangabad-431004, India

Subject: Successful completion of Visiting/Research Professor Program for a period of 21 March to 20 June 2014 intended to establish teaching and research collaborations between Hanyang University, Korea and Dr. B. A. M. University, India for the developments of Nanoscience and Nanotechnology next ten years

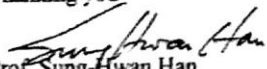

Dear Sir,

It was our great pleasure to have you at the Inorganic Nano-Materials Laboratory, Department of Chemistry, Hanyang University, Seoul, Korea as a Visiting/Research Professor for an academic semester period during from 21-03-2014 to 20-06-2014. We congratulate you for successful completion of the Visiting/Research Professor Program and your contribution to teaching and research Nanoscience and Nanotechnology in your stay at Hanyang, during which you established the teaching and basic research in field of solid state experimental and theoretical computational chemistry.

I appreciate your contribution at the Hanyang University and would be happy to offer continuous collaboration in future next ten years for the development of Nanoscience and Nanotechnology at Dr. B. A. M. University, Aurangabad, India.

Accordingly, you are hereby relieved on 20-06-2014 (A.N.) so as to enable you to join your services at the Department of Physics, Dr. B.A.M. University, Aurangabad, India.

Thanking you

Prof. Sung-Hwan Han

Inorganic Nano-Materials Laboratory

Head of Chemistry Department

Hanyang University Sungdong-Ku, Haengdang-dong 17, Seoul, Korea 133-791
