Dear Sir/ Madam,

This is to inform you that the ICHR had already released you Rs.29, 688 /- as Research Project (RP) Grant with Contingency Grant to work on the research proposal entitled **Epigraphs and related monuments in Osmanabad District (Maharashtra)**. But you have not submitted the final work report/ manuscript and statement of accounts, although the tenure of your project has expired in May 2012. Therefore, you should kindly realize that this will in all likelihood lead to serious objections might be raised by the office of the Comptroller Auditor General of India (CAG) with regard to non-completion of the Research work on time. If you will not respond to the letter it would be presumed that the amount released to you through the university, institute has not been spent and in that case according to ICHR's Research Funding Rules the amount should be returned to the ICHR immediately. I hope you will kindly understand the gravity of the matter and respond to our letter within 15days after the issue of this letter and help us in improving the image of the ICHR and the scholars associated with it.

With kind regards,

Yours sincerely,

(Rajesh Kumar)  
Assistant Director (Research)
