SPEED POST

Subject: The project proposal entitled, "In search of active biomolecules from medicinal plant extracts for developing anticancer drugs by Dr. Vandana Hivrale, Department of Biochemistry, Babasaheb Ambedkar Marathwada University, Aurangabad - 431004, Maharashtra.

Dear Dr. Mane,

This is in reference to the project mentioned above. This project was sanctioned on 10.10.2013 and the first instalment of the grant of Rs.4,00,000/- has already been sent to you. As per DST norms, the date of start of project should be within one month of receipt of cheque/draft.

We have learnt that the PI, Dr. Kedar Singh has left for U.S.A to pursue his postdoctoral fellowship and will not be able to implement the project at this moment. Hence we request you to return the fund released in this project through a demand draft in favour of "Fund for Science & Engineering Research" at your earliest convenience. However Dr. Vandana Hivrale, may submit a new proposal once he returns from U.S.A after completion of his Post-Doctoral Fellowship.

With best regards

Yours sincerely,

(AMITAVA ROY)
