About the Workshop

It is generally accepted that in a knowledge-driven, competitive business environment, innovation is a principal determinant of successful performance. At this perspective, Intellectual Property Management is considered to be absolutely necessary to encourage creative intellectual endeavor in the public interest. Intellectual Property protection encourages the publication, distribution and disclosure of the creation to the world while the creator exclusive rights for exploiting and benefiting from their creation.

This workshop looks forward to introduce the participants to the fundamental aspects of Intellectual Property management scenario in India.

RUSA Center for Advanced Sensor Technology is supported and funded by Rashtriya Uchchar Shiksha Abhiyan (RUSA), Government of Maharashtra and located in campus of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.). The Centre aims to be a common platform for the students and faculties of the Universities across the state of Maharashtra and their underneath institutions, individuals and established entrepreneurs to hone the necessary skills of research in Sensor Science and Technology, study of economic demands and accordingly shape the ideas to a marketable product.

MILLIYA Arts, Science and Management Science College was established in 1991, with a vision to spread higher and quality based education amongst the deprived sections of the society. Dreamt by the visionary Honourable Ahmed Bin Abood, Secretary Anjuman Ishaat-e-Taleem, purely to disseminate knowledge in this rural area, the physical, instructional and infrastructural facilities at the college has reached a state of the art status today. The college offers undergraduate and post graduate programs and houses prestigious research laboratories in the campus. The inherent intellectual energy of the institution has been realized through scientific endeavours, in socially needed directions. Quest for the understanding of the needs and goals of the society has always leveraged the potential of this institution.
