RUSA CAST FAMILIARIZATION WORKSHOP

On

“Opportunities in Gas Sensor Research”

December 3, 2016

RUSA Center for Advanced Sensor Technology is supported and funded by Rashtriya Uchchar Shiksha Abhiyan, Government of Maharashtra. It is located in campus of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.). The Centre aims to be a common platform for the students and faculties of the Universities across the state of Maharashtra and their underneath institutions, individuals and established entrepreneurs to hone the necessary skills of research in Sensor Science and Technology, study of economic demands and accordingly shape the ideas to a marketable product.

Facilities at Centre are made available to researchers and academicians through proposals, which will be considered through proposal review, expert mentoring and project execution. The detailed information regarding the RUSA - CAST program and laboratory facilities will be introduced during the workshop and details are available at <http://www.bamu.ac.in/rusa-cast/>

The Familiarization workshop is held on **December 3, 2016**, at Auditorium of Deen Dayal Upadhyay KAUSHAL Kendra, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Workshop will be focusing on the tutorial sessions on fundamentals of sensors and research opportunities in Sensors which will be followed by the talk on various facilities available at RUSA - Center for Advanced Sensor Technology. Registration fees of Rs. 500/- per participant will be charged which includes lunch, tea and registration kit.

Applications are invited from interested M. Sc. Students, Research Scholars, and Faculty Members from academia and industry for participation in this workshop. Interested participants may submit electronic copy their application for participation by email (rusacast@bamu.ac.in) on or before **December 1, 2016** and hard copy along with fees may be submitted on the day of workshop.
