#### 13) Prof. Kishan Dhabe & Dr. Anand Wagh

Prof. Kishan Dhabe, Head and Director and Dr. Anand Wagh. Asstt. Professor attended the state level workshop on 14/9/2015 organized by Dept. of Adult, Continuing Education and Extension, Savtribai Phule Pune University, Pune.

## 13) Training programme for the college Students volunteers

Dept. organized one day training programme for the college students volunteers on 15/9/2015. This programme was inaugurated by Shri Krushna Bhoge, former Revenue commissioner. Director of the department Prof. Kishan Dhabe presided over the function.

In the beginning prof. Dhabe welcomed to Shri Krushna Bhoge and Dr. Sanjay Moon welcomed to prof. Dhabe.

Dr. Sanjay Moon delivered an introductory speech. He said that personality development and modern, trends in education must be consistent. Education and society must be co-related to each other.

Subsequent to this shri Bhoge delivered an inaugural, speech. He said that majority colleges had not changed their position. Their status is not satisfactory. Only 20% students are qualified for the employment. And 80% students are not qualified that's why they are unemployed. This is the position of an engineering college. Colleges are working like the industrial factories. They have not the attachment and responsibility about the students. Colleges should have to work for the well being of the students. The gap between rural and urban is growling day-by day rapidly. India for urban and Bharat for gramin is called generally about the discrimination of the development process.

educational Institutions, Teachers and students must think seriously about this burning issues.

Teachers complained about the absenty of students and students are grudging about the teaching of teachers. Copy or malpractice is not the solution for this problem. There are so many vacancies available but only for the talent people. Quality is essential to get the entry in each sector of the life. Your thinking must be positive. Struggle is an integral part of day today life Negative attitude is related to the defeat or failure and positive attitude is connected to the victory or success. Your strong determination is useful to achieve the desirable success in the life. So you should have to think at first what you want to do. Each and every field is equally important and full with vacancies.

There is energy within you and it is called self. Positive attitude forces to you for going ahead.

We must be awarded about our internal power and it should not be in the dormant position. One must be developed any skill through his personality. Various types skills are necessary for our personality development. There is a no substitute for the hard work. Our will power might be strong. Success is not so easy so patience is very important. You have to move towards the success and success never moves automatically towards you. Every day you must read at least one newspaper every day you must acquired the communication skill. Language is a medium of communication. Language must be lucid, simple and tender. It should not be rude and complicated. you must be physically fit and mentally alert. Morning and evening walk keeps us physically fit. Our life style must be healthy. Subsequent to this shri Sudam Thote delivered the lecture on 'Industrial Development'. Director of the dept. prof. Kishan Dhabe delivered the presidential address.
