Subject: Inplant Training

Dear Sir,

The University Department of Chemical Technology is running a four-year degree course B.Tech (Chemical) with specialization in Pharmaceutical & Fine Chemicals Technology. As a course curriculum, the students have to undergo an industrial training for a period of four week. The purpose of the in plant training is to expose the students to industrial working environment, which is not possible without your co-operation.

Therefore, I kindly request you to accommodate the student **Mr. Akshay Kamble** of Third Year B.Tech.(Chemical) for the in plant training at your esteemed organization. The student would join for the training in the second week of June 2013 if convenient.

Thanking you
Yours faithfully
