## LETTER OF APPRECIATION

To,  
Dr. Ramesh R. Manza,  
Associate Professor,  
Bio-medical Image Processing Laboratory,  
Department of Computer Science and Information Technology,  
Dr. Babasaheb Ambedkar Marathwada University,  
Aurangabad-431004, Maharashtra, India

Dear Dr. Manza,

I appreciate you taking the time to supervise one of my PhD student Mrs. Smita Boob Baheti for six week internship at your bio-medical image processing laboratory during December 2016 to January 2017 in India. I am confident that she has gained valuable knowledge and definitely increased her interest in pursuing a career in the subject of Image Processing and Analysis of Materials.

Thank you for your co-operation.

Doc. Ing. Maros Tunak, PhD  
Associate Professor and Vice-Dean,  
Department of Textile Evaluation,  
Faculty of Textile Engineering,  
Technical University of Liberec,  
Liberec-46117, Czech Republic
