We agree to your proposal to hold a 4-day Workshop as a special case with 4 resource persons from IISc.

The formal proposal may be sent to us either by you as the Workshop Convener or preferably by the local coordinator. We would request you to keep the budget within the norms shown in our guidelines. We can also book the tickets of the resource persons from Bangalore. If the itinerary is sent to us as early as possible we can do the booking immediately and save some money for the Academy.

Dear Professor Patil.

At the outset may I wish you and your family a very Happy New Year.

We are happy that you have taken the initiative to organize a Lecture Workshop at University of Aurangabad. This is indeed welcome. I am attaching

*It is decided in the
faculty meeting on 31/1/14
that Dr. S.T. Hairwad,

this Academy

our guidelines. Kindly go through these. It would be nice if for a 2-day Workshop we have about 4 resource persons with each of them giving at least two lectures. We could pay air fare for two resource persons. For a 3-day Workshop it could be about 6 resource persons and 12 lectures (with three air fares). The other resource persons could be from nearby places. We hope this is possible.

We would be happy to receive a formal proposal from you or from the local co-ordinator. If it conforms to our norms, it will only take a day for us to approve the proposal.

Lastly, could you just call me by my name without any prefixes.

With best regards

G. Madhavan
