Farewell Function (2015-16):

An occasion when someone says good bye is the farewell function. The senior students of this batch said their sad farewells and got on the bus. The juniors had arranged a fabulous event in which there was a formal inaugural function. Prof. Sonavane Sir from Zoology Dept. was the chief guest of this function. He guided in a very enthusiastic way to our student's. He recited many small shayri made by him and made the whole Dept. happy. This formal function was followed by an informal function which consisted of various activities like fishponds, Rampwalk and some games. Several competitions like musical chair and antakshari were arranged for the seniors. The rangoli drawn by the juniors was the centre of attraction.
