Farewell Function (2017-18):

An occasion when someone says good bye is the farewell function. The senior students of this batch said their sad farewells and got on the bus. The juniors had arranged a fabulous event in which there was a formal inaugural function. Respected Dr. Mustajeb Khan Sir from DST was the chief guest of this function. He guided very enthusiastic way to our students .He talked about how the new technology is good but at the same time how it is dangerous if not used properly. This formal function was followed by an informal function which consisted of various activities like fishponds, ramp walk and some games. Several competitions like musical chair and antakshari were arranged for the seniors. The rangoli drawn by the juniors was the centre of attraction.
