Welcome Function(2017-18):

It was a very memorable three days event arranged by the seniors of Msc.CS, Msc.IT, Mphil, and M.tech students for their juniors. There was a singing competition on first day and elocution competition on the second day. A fabulous inaugural official function was on the third day. Respected Dr. Dasu Vaidya Sir from Marathi Dept was invited as the chief guest for this function. He guided the new students in a very nice way. He also recited some of his motivational poems. This formal function was followed by lunch and an informal function in the afternoon which consisted the introduction of every junior. Several competitions and fishponds made it a fabulous event.
