

DR. BABASAHEB AMBEDKAR MARATHWADA UNIVERSITY, AURANGABAD - 431 004

(NAAC REACCREDITED A)

Circular No. BAMU/Library/ plagiarism/2013-14/

Dr. Babasaheb Ambedkar Marathwada University (BAMU) has decided to apply an antiplagiarism software to improve the standard of Ph.D. research work.

As per UGC guidelines, no research work or thesis of the research scholars would be approved or even finalized without getting a plagiarism clearance report. If they still fail to rectify their respective mistakes, their research work might be scrapped. The software will bring much needed accountability in the research work of the research scholars as well as the guides.

The university Grants Commission (UGC) has made it mandatory for all Universities to install a plagiarism detecting software to check plagiarism in research work.

Dr. BAMU Library has installed antiplagiarism software and from now onwards all research work carried out by the Research scholars would be approved only when their work gets through the anti-plagiarism Software.

In this regard, the library is going to organize a workshop on Awareness of Antiplagiarism Software (AAS 2013) on 12th & 13th December 2013 for all the research guides of Dr. BAMU. The workshop is only for 2 hrs on a day and it is conducted facultywise in six sessions

(Pl. refer Annexure-1). The Present training is mandatory to all Ph.D Guides. The Principal or Head will be held responsible if they fail to depute the research guides to participatesw in the said workshop.

Venue: Mahatama Phule Auditorium

Date: 12-13 December 2013

No. BAMU/Library/ plagiarism/2013-14/203/-3/(Date: 6th Dec. 2013)(Place: Aurangabd)(
