In the beginning prof. Dhabe welcomed to Hon'ble Vice-Chancellor prof. B.A. Chopade and Dr. Sanjay Moon welcomed to prof. Dhabe.

Dr. Sanjay Moon delivered an introductory speech. He said that this program is deliberately organized for the girls studying in the university. 50% human power has involved in the women in our country. But this power is far away from the development process because of various reasons. In 2020 our county may be powerful in the world. Our country has 67% human power.

Subsequent to this Hon'ble Vice-Chancellor prof. B.A. Chopade delivered an inaugural speech. He said that whole objectives of the workshop are good. The number of participant is very less but quality is very important. This is inspiring programme. Give a man fish to eat he would eat for one time but teach him how to catch the fish; he would eat for life time. Every woman has a right of maternity leave.

Dr. Ambedkar was minister of education and labor in 1942. He saw one pregnant woman working in the mine and he astonished. He also saw the bad condition of another woman. He was the first person in the world that he insisted for the maternity leave. He struggled for the Hindu code bill.

Director and head of the department prof. Dhabe delivered the presidential address. He said that personality development program for the girls is essential. Girls must collect the knowledge of various branches. There are so many physical problems of the girls. So sound mind and sound body plays a vital role in personality development process.

This program was anchored by Dr. Anand Wagh and Dr. Sanjay Moon proposed vote of thanks.
