Minutes of the Student – Mentor meeting held on August 30, 2017

The Mentor - mentee meeting of the mentee allotted to Dr. Ramphal B Sharma was convened on August 30, 2017 at 11.30 am in the cabin of Dr. Ramphal B Sharma, Department of Physics. It was attended by all 12 students.

The meeting began with warm welcome by the Mentor Dr. Ramphal B Sharma. The following business was transacted in the meeting.

- 1) Most of the students were requesting to arrange Skill Development lecture.
Accordingly it was resolved to request, Head, of the Department to arrange Skill Development lecture.
- 2) Students requested to arrange workshop on handling sophisticated laboratory instruments for characterization of Nanomaterials of the Department. Accordingly, it was resolved to request, Head, of the Department to arrange workshop on handling sophisticated laboratory instruments for characterization of Nanomaterials.
- 3) It was resolved to have next meeting in the month of October 12, 2017.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on August 2, 2017

The student – mentor meeting of the mentee allotted to Dr. S. S. Patil was convened on August 2, 2017 at 11.30 am in his cabin at Department of Physics. It was attended by all the 5 students.

The meeting began with warm welcome by the Mentor (Dr. S. S. Patil). The following business was transacted in the meeting.

For Example -

- 1) The students requested him to explain the operation of CW ESR/NMR spectrometer. Accordingly he the demonstration was given to them on 2- 8-2017.
- 2) The students asked about the interfacing of ESR/NMR spectrometer to the PC.
- 3) Some of the students asked magnitudes of the magnetic field for performing ESR and NMR experiment.
- 4) The students were shown the various ports of the spectrometer and their connections to the PC. They were also allowed to do these connections themselves and record the data using the same equipment.
- 5) These questions were satisfactorily answered during discussion the hands - on practical session.
- 6) It was resolved to have next meeting in the month of October 2017.

The meeting ended with thanks to all the members.

The student – mentor meeting of the mentee allotted to Dr. P. W. Khirade was convened on August 8, 2017 at 11.30 am in his cabin at Department of Physics. It was attended by all the 12 students.

The meeting began with warm welcome by the Mentor (Dr. P. W. Khirade). The following business was transacted in the meeting.

For Example -

- 1) Most of the students requested him to deliver a talk on “Anapana sati meditation”.
Accordingly he delivered talk on the same topic on 8-8-2017.
- 2) Some of the students asked the role of “observation of incoming and outgoing breath” during meditation.
- 3) They also asked the difference between “the anapana sati meditation” and pranayama.
- 4) These questions were satisfactorily answered during discussion after the talk.
- 5) It was resolved to have next meeting in the month of October 2017.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on July 20th, 2017

The first student – mentor meeting of the mentees allotted to Dr. Anita Murugkar was conducted on July 20, 2017 at 2:30 pm in the Mentor's office in Department of Physics. It was attended by six allotted students.

The meeting began with warm welcome by the Mentor Dr. Anita Murugkar.

- 1) Being the first meeting it was made clear that the mentor is not just a faculty adviser who will guide in their studies. She want to develop a mentoring relationship with them over an extended period; she want to take a special interest in helping them to develop their personality as a whole. All were allowed to meet, call or email her at any time and were assured to get the guidance and support.
- 2) Mentor's focus was on convincing a student that seeking counseling or asking for help is not a sign of weakness but is of strength, as it reflects the student's willingness to overcome his/her problems in order to reform oneself.
- 3) Mentees discussed their problems/needs which mentor was listening carefully and patiently. Their utmost problem was the barrier of English language. From their note-taking difficulty in and out of the class, all shared that poor English language competence was hindering their academic performance. Useful measures were taken to develop this particular skill. They were asked to listen to talk shows in English, refer books on communicative English, and seek help from language teachers from English department, the list is endless. Mentees reacted positively to this approach.
- 4) With this brief agenda it was resolved to have next meeting in the month of 11th October 2017.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on July 08, 2017

The student – mentor meeting of the mentee allotted to Dr. Navarkhele V. V. was convened on July 08, 2017 at 12.30 pm in the Seminar Hall of Department of Physics. It was attended by 9 (Nine) students.

The meeting began with warm welcome by the Mentor (Dr. Navarkhele V. V.). The following business was transacted in the meeting.

- 1) Most of the students were expecting to arrange special lectures on Microwaves, to learn its features, applications and to see the various microwave bands C, J, X, Ku, K and R present in the laboratory.

Accordingly Dr. Navarkhele V. V has arranged the special lecture on Microwaves and the various microwave bands present in the laboratory (C, J, X, Ku, K and R) were shown and demonstrated to the students.

- 2) Students are requested to arrange the demonstration and working of microwave X- band experimental set up in laboratory. Accordingly, Dr. Navarkhele V. V has assembled and demonstrated the working of microwave X-band setup in the laboratory.

- 3) It was resolved to have next meeting in the month of October 2017.

Minutes of the Student – Mentor meeting held on August 24, 2017

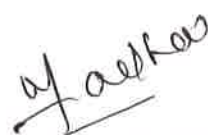

The student – mentor meeting of the mentee allotted to Dr. K. M. Jadhav was convened on August 24, 2017 at 11.30 am in the Nuclear Physics Laboratory of Department of Physics. It was attended by all the nine students (Mentees).

The meeting began with warm welcome by the Mentor. The following business was transacted in the first introductory meeting:

- 1) Educational and economical backgrounds of all the Mentees.
- 2) Goals and objectives for the academic year 2017-18.
- 3) Best forms of communication for scheduling future meetings and staying in touch (e.g. telephone, e-mail).

In view of the above points meeting was conducted. With each of the mentee the educational and economical background was discussed and noted. Secondly, the goals and objectives of the current academic year 2017-18 were also collected. The telephonic conversation medium was chosen for a communication by most of the mentee. However, some mentee also suggested informing them through email also or by personal contact.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on 11th October, 2017

The second student – mentor meeting of the mentees allotted to Dr. Anita Murugkar was conducted on 11th October, 2017 at 12:30 pm in the Mentor's office in Department of Physics. It was attended by six allotted students.

The meeting began with warm welcome by the Mentor Dr. Anita Murugkar.

- 1) Problems pertaining to students stay in hostel, food were discussed in this meeting. Used to home cooking, students often have troubles adjusting to what is called "food" at hostels. All agreed that Vegetables and fruits shouldn't be avoided even if you are in a hostel. Grapes, oranges and pomegranates, bananas are things which students can buy and keep in their hostel rooms.
- 2) Importance of exercise, inculcating some hobby, time management are the key indicators in the development of student's overall personality, all members discussed these factors thoroughly, all mentees assured to focus on these aspects.
- 3) Girls have some specific needs and problems. These issues were also discussed separately by having one to one interaction on the same day.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on October 9, 2017

The Mentor - mentee meeting of the mentee allotted to Dr. B N Dole was convened on October 9, 2017 at 02.00 pm in the Condensed Matter Physics Laboratory of Dr. B N Dole, Department of Physics. It was attended by all 07 students.

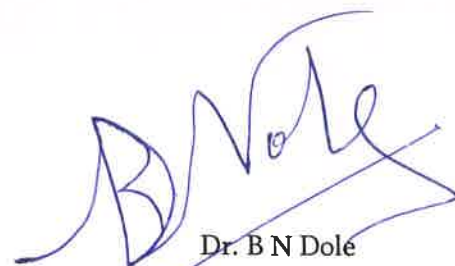

The meeting began with warm welcome by the Mentor Dr. B N Dole. The following business was transacted in the meeting.

- 1) All the students were expressing that to arrange lecture on Handling of Sophisticated Instruments.

Accordingly it was resolved to request, Head, of the Department to arrange Handling of Sophisticated Instruments.

- 2) Students requested to arrange Cleanliness Programme in the Premises of the Department. Accordingly, it was resolved to request, Head, of the Department to arrange Cleanliness Programme in the Premises of the Department.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on October 7, 2017

The student – mentor meeting of the mentee allotted to Dr. Navarkhele V. V. was convened on October 07, 2017 at 12.30 pm in the Seminar Hall of Department of Physics. It was attended by 7 (Seven) students.

The meeting began with warm welcome by the Mentor (Dr. Navarkhele V. V.). The following business was transacted in the meeting.

- 1) Most of the students were expecting to arrange special lectures on measurement of scattering parameters of microwaves components, and they actually wanted to measure it in laboratory. Accordingly Dr. Navarkhele V. V has arranged the special lecture on measurement of scattering parameters of microwave components and the students have measured S-parameters of E-plane tee, magic tee, and directional coupler in the laboratory.
- 2) Students are requested to visit soil physics research laboratory in the department. Accordingly, Dr. Navarkhele V. V has assembled all students and shown all equipments used for soil physics research. Further he explained the working of all equipments (like profile probe (PR2), moisture sensor, soil sieves, P^H, conductivity meter, etc.) and how to measure the soil properties for the betterment of agricultural productivity.
- 3) It was resolved to have next meeting in the month of January 2018.

The meeting ended with thanks to all the members.

Minutes of the Student – Mentor meeting held on October 19, 2017

The second student – mentor meeting of the mentee was conducted on October 19, 2017 at 04.00 pm in the Nuclear Physics Laboratory of Department of Physics. The meeting was attended by all the mentees.

The meeting began with warm welcome by the Mentor. The following business was transacted in the meeting:

- 1) Mentor's history.
- 2) Execution plan to achieve the desired goals.
- 3) Skills and training necessary to achieve these goals.
- 4) Review and modifications in the present curriculum.

The meeting started with warm welcome by the mentor. At the outset review of the first meeting was taken. Mentor has presented his own history including family background, educational background, job profile and achievements made so far. This has impressed the mentees. From each mentee, their plan about his/her career goals was discussed thoroughly. Mentor has advised to each mentee regarding execution steps to achieve their desired goals. Most of the mentee raised questions/queries about the experimental skills, handling of the scientific software's, communications skills etc they need to improve their academic profile. The mentor has assured them that he will solve their queries. In this regard, the mentor will arrange one day workshop to improve the experimental and communication skills. Also, the knowledge and operation of various software's like origin, Matlab, endnote, COMSOL, LateX etc will be provided to each mentee by mentor and his research group/colleagues. Most of the mentee were very curious about their present curriculum and suggested to modify it as per the NET/SET/GATE and other competitive examinations. Mentor has taken all these suggestions into considerations and assured them to make necessary modifications. However, it is also assured that, the topics which were missing in the present curriculum will be covered by arranging the extra classes.

The meeting ended with thanks to all the members.
