

Two Days workshop on "Emerging Trends in Geospatial Technology for Smart City"

19th September 2014 to 20th September 2014

Srinwasa Ramanujan Geospatial Chair, Department of Computer Science & IT, Dr. Babasaheb Ambedkar Marathwada University Aurangabad has successfully conducted the Two days "National Workshop on Emerging trends in Geospatial technology for Smart city" on 19 – 20 September 2014. 132 participants from all over the India participated in the workshop,

Dr. Y. V. N Krishnamurthy Director of Indian Institute of Remote Sensing, ISRO, Dehradun was present as a Chief Guest, Honorable Vice Chancellor was the President of the Program, Dr. S. C. Mehrotra Professor, Srinivasa Ramanujan Geospatial Chair, Dr. K. V. Kale Director BCUD, Dr. Suresh Gaikwad COE, Dr. B.A.M. University, Dr. R. R. Deshmukh Head Department of CS & IT were present on dice.

In his Address Dr. Krishnamurthy focused on various aspect of Geospatial Technology for Smart City, He also ask the students, from different streams like Computer Science and Engineering, Physics, Geography to come forward to use the Technology for better quality of life, and he advised the students, to take a real problem as a challenge, and try to solve it, as a part of their academic projects.

In the Presidential talk, honorable Vice Chancellor Professor B. A. Chopde has declared to conduct TechFest on Smart City in future. He has also pointed that, Our University is the first University, In all over the India to organize such Workshop for Smart City, He also requested Dr. Krishnamurthy to Collaborate with the University for Research and Development in the area Geospatial Technology.

Resource Person's:

- Dr. Y. V. N. Krishna Murthy**, Director,
Indian Institute of Remote Sensing, Dehradun.
- Dr. Subrata Das**, Director,
Maharashtra Remote Sensing Application Center, Nagpur.
- Mr. Advait Aundhkar**,
All India Institute of Local Self Government, Mumbai.
- Dr. Gauri Milind Rane**,
Coordinator, JalaSri, Jalgaon.
- Speakers from Dr. BAMU & AMC.**

Organizing Committee:

Chief Patron

Dr. B. A. Chopade
Hon'ble Vice Chancellor

Patrons:

Dr. K. V. Kale (Director, BCUD)
Dr. D. R. Mane (Registrar)
Dr. Sudhir Deshmukh (Principal, JNEC)

Convener

Dr. S. C. Mehrotra (Professor, SRGC)

Committee:

Chairman

Dr. R. R. Deshmukh (Professor & Head)

Members

Dr. Bharti W. Gawali, Dr. S. N. Deshmukh, Dr. R. R. Manza, Dr. P. L. Yannawar, Dr. C. N. Mahender, Ms. S. B. Kulkarni, Dr. M. Dhopeswarkar, Dr. S. S. Kawathekar, Ms. M. R. Baheti, Mr. S. S. Nimbhore, Dr. Vijaya Musande, Dr. S. N. Kakarwal, Dr. Suddhasheel Ghosh

Contents of the Workshop:

- Smart Cities - Unveiling Urban Systems Emerging Trends"
- Introduction to Geoinformatics
- "Hazardous waste: awareness to smart and efficient disposal"
- Applications of Geospatial Technology
- Applications of Geospatial Technology in context to smart city

Inauguration of the Workshop by Hon'ble Vice chancellor Professor B. A. Chopde and Chief Guest Dr. Subrata Das, Chair Professor S. C. Mehrotra, Professor K. V. Kale, Professor R. R. Deshmukh

Day 2: Session conducted by Dr. Y. V. N. Krushnamurthy Director Indian Institute of Remote Sensing, (IIRS,ISRO) Dehradun

Presidential address by Hon'ble Vice Chancellor Professor B. A. Chopde during Valedictory function
