Research Opportunities
at
RUSA Centre for Advanced Sensor Technology
&
Drafting of Research Proposal
(April 25, 2017)

Jointly Organized
By
RUSA – Centre for Advanced Sensor Technology
Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.)
&
Internal Quality Assurance Cell (IQAC)
Milliya Arts, Science and Management Science College, BEED (MS)
At
Anjuman Ishate-Taleem Beed's
Milliya Arts, Science and Management Science College, BEED (MS)

Scope of the Workshop:

RUSA Center for Advanced Sensor Technology is supported and funded by Rashtriya Uchcharat Shiksha Abhiyan, Government of Maharashtra. It is located in campus of **Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.)**. The Centre aims to be a common platform for the students and faculties of the Universities across the state of Maharashtra and their underneath institutions, individuals and established entrepreneurs to hone the necessary skills of research in Sensor Science and Technology, study of economic demands and accordingly shape the ideas to a marketable product. Facilities at Centre are made available to researchers and academicians through proposals, which will be considered through proposal review, expert mentoring and project execution. The detailed information regarding the RUSA - CAST program and laboratory facilities will be introduced during the workshop and details are available at <http://www.bamu.ac.in/rusa-cast/>

Milliya Arts, Science & Management Science College was incepted in 1991. The objectives of the college aim at producing graduates fit for various purposes: social, cultural, political, economical, etc. The vision statement of the college is *'to mould the students into good human beings as well as globally competent'*

It has always been endeavor of the college to develop its students as responsible citizens; provide value and need based education to them. The college puts emphasis on moulding minds of students for their continuous personal and professional growth.

The college was awarded as **Best Digital College from MKCL** for its excellent adoption of the office automation.

Milliya has also excelled on the research front, majority of the faculties have obtained their doctoral degrees and rest are doing research leading to Ph.D., many have undertaken research projects funded by **UGC, DST** and **ISRO**. The college has also organized **Eight (08)** National Conferences, a regional seminar and a workshop.

The college has been reaccredited by NAAC at 'B' grade with 2.8 CGPA.

Who Can Apply?

Applications are invited from interested M.Sc. Students, Research Scholars, and Faculty Members from academia and industry for participation in this workshop. Interested participants may submit electronic copy of their application for participation by email (rusacast@bamu.ac.in/Shuakionline@yahoo.co.in) on or before April 25, 2017 and hard copy along with fees may be submitted on the day of workshop. Spot registration will be available against vacant seats.

Registration Fees:

Rs. 500/- per participant will be charged which includes tea and registration kit.

Technical Program Schedule:

Tuesday: April 25, 2017

| Date | Venue | Time | Speaker | Title of talk |
|-------------------|--|----------------------|-----------------------------|--|
| April 25, 2017 | Milliya Arts, Science and Management Science college, BEED | 9.00 am to 9.30 am | Registration | |
| | | 9.30 am to 10.00 am | Inaugural Function | |
| | | 10:00 am to 11:30 am | Professor Dr. M. D. Shirsat | Research Opportunities at RUSA Centre for Advanced Sensor Technology |
| | | 11:30 am to 11.45 am | Tea Break | |
| | | 11.45 am to 1.30 pm | Professor Dr. M. D. Shirsat | Drafting of Research Proposal |
