

Report of Familiarization Workshop on Research opportunities in  
Biosensor & Hyper Spectral Imaging

A One Day Familiarization workshop on Research opportunities in Biosensor & Hyper spectral Imaging was organized on 9<sup>th</sup> January 2017 in RUSA-Centre for Advanced Sensor Technology Auditorium. Hon'ble Vice-Chancellor was presiding the session. Prof. A. C. Kumbharkhane (Department of Physics, Swami Ramanand Teerth Marathwada University, Nanded) was invited as a Chief Guest for rendering the speech on Biosensor & Hyper Spectral Imaging.

Session started with warm welcome by Prof. M. D. Shirsat (Director, RUSA-CAST). Later, Hon'ble Vice-Chancellor has given his remarks to the participants. Prof. A. C. Kumbharkhane later rendered his speech in two sessions during 12:00 noon to 1:00 pm and 3:00 pm to 5:00 pm.

There were 33 participants present from Department of Physics and Department of Computer Science and Information Technology. The session was notified as remarkable and important by students.

Session was concluded with thanks to chair by Director (RUSA-CAST).
