Intellectual Property Right Workshop

On

‘Patents – Why, What, How? And Filing Indian Patents’

September 29, 2017

RUSA Center for Advanced Sensor Technology is supported and funded by Rashtriya Uchchar Shiksha Abhiyan, Government of Maharashtra. It is located in campus of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (M.S.). The Centre aims to be a common platform for the students and faculties of the Universities across the state of Maharashtra and their underneath institutions, individuals and established entrepreneurs to hone the necessary skills of research in Sensor Science and Technology, study of economic demands and accordingly shape the ideas to a marketable product.

It is generally accepted that in a knowledge-driven, competitive business environment, technological innovation is a principal determinant of successful performance. At this perspective, Intellectual Property Management is considered to be absolutely necessary to encourage creative intellectual endeavor in the public interest. Intellectual Property protection encourages the publication, distribution and disclosure of the creation to the world while allowing the creator, exclusive rights for exploiting and benefiting from their creation.

RUSA CAST is looking forward to encourage students, researchers, faculties and enthusiasts to gain knowledge about protection of Intellectual Rights and exercise the same for managing intellectual property available with them. The IPR Familiarization workshop on **‘Patents – Why, What, How ? And Filing Indian Patents’** is being arranged with this aim.

Applications are invited from interested M. Sc. Students, Research Scholars, and Faculty Members from academia and industry for participation in this IPR Familiarization Lecture. Interested participants may submit electronic copy their application for participation by email (rusacast@bamu.ac.in) on or before **September 29, 2017**.

Participation is absolutely free.
