**Summary of Applications received and Grievances resolved
(Examination Grievances)**

This is to certify that, the University has adopted highly transparent mechanism for evaluation of student performance. There are 52 academic departments in the University which are conferred the status of autonomous by the University in the year 2005-2006 whereas the CBCS pattern was introduced in 2011. As a result, departments are authorized to design, update and implement the curriculum and conduct the examination, evaluate the papers by the teachers and declare the results as per the provisions of the University Ordinance. After assessment, assessed answer scripts are shown to students (as obligatory process), and grievances are redressed. If the student is not satisfied, he can submit an application to concerned HOD and HOD resolves the grievances by constituting the committee.

Therefore, negligible number of grievances are being recorded. However, few departments have recorded the grievances which are listed below. All the grievances were resolved

Department	Year				
	2013-14	2014-15	2015-16	2016-17	2017-18
Zoology	Nil	Nil	Nil	10	16
Computer Science & IT	152	104	60	71	01
Botany	09	Nil	Nil	Nil	Nil
